Introduction to Green Button

What is it for Ontario – Jeremy – 45 min. (Separate Slide Deck)

The Standard vs regulations vs implementation vs user experience

Questions / Answers / Comments

Round Table Discussion

Short Term Needs and Working Group Deliverable – Eddie – 30 min.

Possible Discussion Items

Bulk Registration - For a single utility (GB -related), Across utilities (not GB -related)

In the concept of Virtual Accounts (e.g., Alectra)

Clarity on what the 'product' will be and how it works

Authentication vs. Authorization at a high level

Supporting non-digital Authorizations. Costs needs (e.g., paper)
