Appendix A – Part One Engagement Activities Chart

The Part One Engagement Activities Chart provides additional information on the people and organizations that participated in one or more of the various engagement activities, including:

- The number of participants, the affiliations that they identified and local presentations (name of organizations and presenters) at the seven Community Discussions;
- The number of organizations and the types of organizations at the Province-Wide Stakeholder Group meeting;
- The number of written submissions received through various methods; and
- The number of people that signed up for E-Updates through the OEB Energy East Consultation website (ontarioenergyboard.ca/oebenergyeast).
