Mr. John Zych, Board Secretary  
Ontario Energy Board  
P.O. Box 2319  
2300 Yonge Street, 27<sup>th</sup> Floor  
Toronto, ON M4P 1E4

Dear Mr. Zych:

**Re: RP-2004-0205 – Regulated Price Plan**

With regard to the Board's request for submissions on the proposed amendments to the Standard Supply System Code as it relates to the Regulated Price Plan, we would like to provide comment on item 1 of the proposed amendments.

**Mandatory Date for Time-of Use Pricing**

With respect to the Board's proposed amendment to extend the period of voluntary TOU pricing beyond May 1, 2006 to avoid distributors incurring potentially unnecessary costs, *ENWIN* has in anticipation of the May 1, 2006 deadline, developed system changes in order to accommodate RPP TOU pricing and is in the final set-up and testing stage of implementation. As a result, approximately half of the costs associated with the implementation of RPP TOU have already been incurred.

Yours truly,
