Re: Cost Allocation Review (EB-2005-0317)

The Board indicated in a letter dated June 24, 2005 that Board Staff would be holding a two day Technical Workshop on the Cost Allocation Principles and Methodologies for electricity distributors.

This Technical Workshop will be held on November 2-3, 2005 at the OEB's premises (2300 Yonge Street, Toronto) in the West Hearing Room located on the 25th floor. The meetings will commence at 9:30 a.m. and are scheduled to conclude at 4:30 p.m. An agenda will follow. Lunch will be served.

Parties wishing to attend are required to send an e-mail to CAreview@oeb.gov.on.ca by October 21, 2005 indicating their name and organization. Please note that space constraints may require limiting attendance to one person per organization.

If you have any questions regarding the cost allocation review consultations, please contact Board Staff John Vrantisidis at 416-440-8122, or Pascale Duguay at 416-440-7739, or e-mail CAreview@oeb.gov.on.ca.

The Board wishes to encourage participation in the consultations by affected stakeholders and looks forward to further discussions on the Cost Allocation Principles and Methodologies for electricity distributors.

Yours truly,
