**Re: The Board's Amendments to the Distribution System Code and the Retail Settlement Code (EB-2006-0226)**

On October 30, 2006, the Ontario Energy Board (the "Board") issued a Notice of Amendment to a Code: Amendments to the Distribution System Code and the Retail Settlement Code (Board File No. EB-2006-0226).

A "revised" version of the notice and the amendments was sent out in error on October 31, 2006. Please note that there is no change to any of the amendments issued by the Board on October 30, 2006.

The sole difference between the versions of the amendments sent out on October 30, 2006 and October 31, 2006 is the removal of a "track changes" mark in the clean version of the connection agreement (Attachment B, Annex 1—Form of Connection Agreement for a Small Embedded Generation Facility or a Mid-sized Embedded Generation Facility).

The Board regrets any confusion this may have caused.

The amendments to the Distribution System Code and the Retail Settlement Code came into force on October 30, 2006, the day they were issued by the Board and posted on the Board's website ([www.oeb.gov.on.ca](http://www.oeb.gov.on.ca)).

If you have any questions regarding this letter or the amendments to the Distribution System Code or the Retail Settlement Code issued by the Board on October 30, 2006, please contact Beverley Jaffray at 416-440-8101. The Board's toll free number is 1-888-632-6273.

Yours truly,
