Dear Mr. Ryder:

Re: **Storage Allocation Proposals of Union Gas Limited**

We are in receipt of your letter dated February 13, 2007 in which you inquire regarding the Board's process in respect of the storage allocation proposal filed by Union Gas Limited ("Union") in accordance with the requirements of the November 7, 2006 Natural Gas Electricity Interface Review Decision.

The Board is in receipt of the proposals of both Union and Enbridge Gas Distribution Inc. ("Enbridge"), dated February 2, 2007 and February 6, 2007, respectively.

The Board is developing a process for the review and consideration of these proposals and will inform all interested parties from the EB-2005-0551 proceeding once that process is developed.

Yours truly,
