Re: **Amendment to Retailer Licences under section 28.1 of the Ontario Energy Board Act**

The Minister of Energy has issued a directive under section 28.1 of the *Ontario Energy Board Act, 1998*, the implementation of which requires the Ontario Energy Board to amend the licences of electricity retailers with respect to the payment of rebates from Ontario Power Generation Inc. to consumers. The attached Board Order makes the required amendment.

If you have questions in this matter, please contact Judith Fernandes, Project Advisor, Licensing at 416-440-7659.
