

**EB-2006-0189**  
**EB-2006-0200**

**IN THE MATTER OF** section 6.1.5 of the Ontario Energy Board's Transmission System Code;

**AND IN THE MATTER OF** an application by Hydro One Networks Inc. for the review and approval of connection procedures;

**AND IN THE MATTER OF** an application by Great Lakes Power Limited for the review and approval of connection procedures.

## **PROCEDURAL ORDER NO. 2**

The subject-matter of this combined proceeding are applications filed by each of Hydro One Networks Inc. ("Hydro One") and Great Lakes Power Limited ("Great Lakes") for review and approval by the Board of their respective connection procedures under section 6.1.5 of the Board's Transmission System Code. The Board assigned file number EB-2006-0189 to Hydro One's application and file number EB-2006-0200 to Great Lakes' application. The list of parties to this proceeding is set out in Appendix A to this Procedural Order.

The Board issued its Procedural Order No. 1 on October 18, 2006. Among other things, that Procedural Order established deadlines for the filing of written interrogatories, responses to written interrogatories, written submissions and written responses to written submissions. Written interrogatories have been filed and responses to those interrogatories have now been received. The Board has decided that additional time should be allowed for intervenors and Board staff to file written submissions on Hydro One's and Great Lakes' connection procedures. The revised timelines for the filing of written submissions and of responses to those written submissions supersede those set out in Procedural Order No. 1.

The Board considers it necessary to make provision for the following procedural matters related to this combined proceeding. Further procedural orders may be issued from time to time.

**THE BOARD ORDERS THAT:**

1. Board staff and intervenors that wish to make written submissions in regard to the connection procedures of Hydro One Networks Inc. or the connection procedures of Great Lakes Power Limited shall file those written submissions with the Board and deliver them to Hydro One Networks Inc., Great Lakes Power Limited and all intervenors identified in Appendix A to this Procedural Order no later than Friday, January 26, 2007.
2. Each of Hydro One Networks Inc. and Great Lakes Power Limited shall file its written response to the written submissions directed to it with the Board and deliver the response to the other applicant and all intervenors identified in Appendix A to this Procedural Order no later than Friday, February 23, 2007.
5. All filings with the Board noted in this Procedural Order must be in the form of 9 hard copies and must be received by the Board by 4:45 p.m. on the stated dates. An electronic copy of the filing must also be provided, in searchable Adobe Acrobat (PDF), if available, or in Microsoft Word. Electronic copies may be submitted on diskette or by e-mail to the Board Secretary at Boardsec@oeb.gov.on.ca.
