

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #1 List 1**

2
3 **Interrogatory**

4
5 When will Hydro One require access?

6
7 **Response**

8
9 Please see responses to PC # 2 and PC #4.

10

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #2 List 1**

2
3 **Interrogatory**

4
5 Will Hydro One give at least three days notice prior to entry?

6
7 **Response**

8
9 Please see the response to PC # 3.

10

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #4 List 1**

2
3 **Interrogatory**

4
5 Have the terms of reference for the environmental assessment been completed and if so,
6 could we have a copy thereof? Further has the Ministry of the Environment approved the
7 same? Were alternatives considered? Could we have a copy of a map showing both the
8 proposed route and the subject property as well as alternative routes considered?
9

10 **Response**

11
12 Please see the responses to PC # 5, PC #6, PC #7 and PC #8.
13

14 Per the Board's Procedural Order 3 in EB-2007-0050, a map of the subject property
15 showing the proposed route will be provided to the landowner and counsel. There are no
16 alternative routes under consideration.
17

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #5 List 1**

2
3 **Interrogatory**

4
5 What work and testing was proposed? Could the results of such alternative route and
6 testing be provided to us?

7
8 **Response**

9
10 Please see the response to Board Staff #1 for a description of the early access activities.
11 There are no alternative routes under consideration.

12

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #5 List 1**

2
3 **Interrogatory**

4
5 Kindly specify the work or testing or both proposed on the subject property. Indicate the
6 purpose of the work or test. Next, how and when will the route be constructed, formed,
7 managed and maintained? Next, what equipment will be brought onto the subject
8 property and what disruption does Hydro One foresee as to the subject property?
9

10 **Response**

11
12 Please see the responses to Board Staff #1, PC #20, PC #21, PC #22.
13

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #7 List 1**

2
3 **Interrogatory**

4
5 What disruption is foreseen to the subject property and its occupants including livestock,
6 wildlife, etc? What mitigating efforts or measures will Hydro One take? Are there any
7 expected dangers to the property occupants, etc., as best as Hydro One may foresee?

8
9 **Response**

10
11 Please see the responses to PC # 22, PC # 23, PC #24 and PC # 25.
12

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #8 List 1**

2
3 **Interrogatory**

4
5 Next does Hydro One expect to cut down or prune or cut any vegetation including any
6 trees and where in regard to the subject property?

7
8 **Response**

9
10 Please see the response to PC # 26.

11

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #9 List 1**

2
3 **Interrogatory**

4
5 Does Hydro One propose to compensate the subject land owner and for what does it
6 anticipate such compensation?

7
8 **Response**

9
10 Please see the response to PC # 42.

11

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #10 List 1**

2
3 **Interrogatory**

4
5 Will Hydro One's work affect the drainage ditches and patterns established on the subject
6 property?

7
8 **Response**

9
10 Please see the response to PC #37.

11

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #11 List 1**

2
3 **Interrogatory**

4
5 What restoration work will Hydro One do and when, as best as it can estimate?

6
7 **Response**

8
9 Please see the response to Board Staff #2.

10

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #12 List 1**

2
3 **Interrogatory**

4
5 Will Hydro One replace any trees or other vegetation? How will compensation be dealt
6 with including crop damage, septic problems, well problems, land compaction, tile
7 drainage, tree and landscaping and other costs incurred?

8
9 **Response**

10
11 Please see the responses to PC #26, PC #27 and PC #42.
12

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #13 List 1**

2
3 **Interrogatory**

4
5 Will there be some form of indemnification for the land owner? Will Hydro One provide
6 some indemnification that will run for a period of time including up to 5 years after the
7 completion?

8
9 **Response**

10
11 Please see the responses to PC # 44 and PC #45.
12

1 **Wellenreiter & Wellenreiter (W&W) INTERROGATORY #14 List 1**

2
3 **Interrogatory**

4
5 Does Hydro One propose to pay the reasonable, legal and expert costs incurred by the
6 land owner?

7
8 **Response**

9
10 Please see the response to PC #46.

11
