Media Advisory

Toronto, June 18, 2007 – Today the Ontario Energy Board (the Board) issued an Aboriginal Consultation Policy (the Policy) for comment. The Policy arises from the Board's commitment to ensuring appropriate consultation is carried out with respect to applications to construct new facilities, where there is a potential impact on the rights or interests of Aboriginal peoples.

A copy of the proposed Policy can be viewed on the Board's website at www.oeb.gov.on.ca or at the Board's offices during normal business hours.

Information on how to participate in the comment process, is also available on the Board's website or by calling the Consumer Relations Centre at 416-314-2455 or toll-free at 1-877-632-2727.
