Dear Ms. Walli:

Re: EB-2007-0630 Distributed Generation: Rates and Connection

The EDA would like to participate in the consultation process on rates and connection issues for distributed generation (EB-2007-0630). The EDA understands that the OEB had requested notification from interested participants by July 20. The EDA regrets that a letter of participation was not sent before in part due to internal reassignment of files and vacation schedules. The EDA has began a discussion on the issues identified in the discussion papers and is presently preparing a submission for August 24. The EDA requests that the EDA submission on August 24 be accepted and requests to participate in any ongoing consultation on the issues.

Please include the following person on the distribution list for any notices or correspondence on this matter:

Maurice Tucci
Senior Analyst
Telephone: (416) 265-5336
e-mail: mtucci@eda-on.ca

Yours truly,

Richard Zebrowski
