

EB-2007-0707

IN THE MATTER OF sections 25.30 and 25.31 of the
Electricity Act, 1998;

AND IN THE MATTER OF cost award eligibility for certain
intervenors in an application by the Ontario Power
Authority for review and approval of the Integrated Power
System Plan and proposed procurement processes.

Correction to Addendum

On January 7, 2008, the Ontario Energy Board issued its Addendum to Decision on Cost Eligibility and Direction to Parties (“the Addendum”) in the Integrated Power System Plan and procurement processes proceeding. One intervenor who had sought costs, the Power Workers’ Union, was inadvertently omitted from the list of intervenors to whom the Board would grant costs. Paragraph two of the Addendum should be amended to read:

“The Board will grant cost eligibility status to:

- Canadian Solar Industries Association
- Ontario Energy Association
- Power Workers’ Union, and
- Toronto Board of Trade.”

Otherwise, the Addendum remains as originally issued.

DATED at Toronto, January 10, 2008.
