RE: Amendment to the Retail Settlement Code

On September 4, 2001, the Board asked distributors and retailers for comments on proposed amendments to the Retail Settlement Code (RSC) concerning Service Transaction Requests, Embedded Retail Generators and Retail Market Readiness. The Board provided the opportunity for parties to comment on the proposed amendments by September 10, 2001.

The Board has reviewed the comments received and has decided to approve the amendments to Chapter 13. The revised Chapter 13 with the approved amendments is available on the Board's website at www.oeb.gov.on.ca.
