Re: Revisions to the Electronic Business Transactions (EBT) Standards

The Board has posted on its web site at www.oeb.gov.on.ca revised Schemas, Implementation Guides, and addenda to the authorized Electronic Business Transactions (EBT) Standards under the Retail Settlement Code. The documents incorporate the resolutions recommended by the EBT Standards Advisory Committee to issues identified by parties with respect to the EBT Standards that were authorized by the Board on December 20, 2001. This version of the standards is identified as version 2.1. The complete Issues List, including the resolutions, is also posted.

If you should have any questions regarding the amendments please contact R. Houldin, Advisor, Energy at (416) 440-8112.

Yours truly,
