NOTICE OF PROCEEDING

Review of Hydro One Network's Filings on the Customer Equipment Compliance Process and Customer Delivery Point Performance Standards

On April 19, 2002 Hydro One Networks Inc. ("Hydro One") filed with the Board a document entitled "Customer Equipment Compliance Process", which addresses the requirement of section 2.6 of the Transmission System Code ("TSC") for transmitters to develop a process for bringing equipment into compliance with standards established in the TSC. This Hydro One filing was made pursuant to subsection 2.6.3 of the TSC which requires transmitters to develop rules and procedures for requiring equipment to be brought into actual compliance and file them with the Board for its review.

On May 3, 2002 Hydro One filed with the Board a document entitled "Customer Delivery Point Performance Standards", which addresses the TSC requirement of section 2.5 for transmitters to develop performance standards at the customer delivery point. Subsection 2.5.2 of the TSC requires transmitters to file these performance standards with Board for its review.

The Board has designated Hydro One Networks Inc. ("Hydro One") as the proponent for the purpose of cost awards, to be administered in accordance with the Board's guidelines on costs.

Particulars of the Proceeding

Any party wishing to review Hydro One's Customer Equipment Compliance Process or Customer Delivery Point Performance Standards ("Hydro One's filings") can refer to the "What's New" section of the Board's web-site at www.oeb.gov.on.ca or contact the Board Secretary at 1-888-632-6273. Hydro One will post the two filed documents on its web-site at **www.HydroOne.com**. Copies of Hydro One's filings are available at Hydro One's head office:

483 Bay Street
North Tower, 13th floor
Toronto, Ontario
M5G 2P5.

Copies of Hydro One's filings are also available at Hydro One's regional offices listed in Appendix "A" of this Notice.

How to Participate

If you wish to participate in this Proceeding you must write a letter to the Board Secretary at the address listed below. Your letter **must** quote file number RP-1999-0057/EB-2002-0424, and be received by the Board Secretary by 4:45 PM on October 14, 2002. Your letter **must**:

1. clearly state your name, address, e-mail address, telephone and fax number;
2. set out in detail what interest of yours is affected by this proceeding;
3. indicate whether you intend to seek an award of costs. The Board will only consider cost awards to eligible intervenors representing the public interest.

The Board requires all parties to file one electronic copy in WordPerfect or Word format and 9 hard copies of their submissions and supporting evidence. The electronic version will be posted on the Board's website to allow access by all parties. Any party requiring a hard copy of any other party's submissions and evidence must request it from that party. Any party receiving such a request shall immediately deliver a copy by courier.

To avoid burdening participants with two parallel processes, the Board shall issue a procedural order with respect to the review of Hydro One's filings following completion of Phase 1 of the TSC Review (Proceeding No. RP-2002-0120).
