Dear Mr. Zych:

Regarding: Transmission Customer Delivery Point Standards**

Further to the letter [\[135T3-0:1\]](#) filed by Hydro One Networks Inc. ("Networks") on June 2, 2004 and to the Ontario Energy Board's June 25, 2004 Procedural Order 1 in this matter, I am attaching five (5) copies of a supplementary submission which amends Networks original submission and responds to stakeholder comments. I am also providing a diskette with copies of Adobe Acrobat versions of the electronic files and a CD with a copy of the webcast conducted as part of the stakeholder consultation.

The attached supplementary submission is comprised of two parts: Networks Customer Delivery Point Performance Standards Amendment and the Customer Delivery Point Performance Standards Amendment Stakeholder/Customer Consultations.

Yours truly,
