Re: Union's Comments on the Draft Distribution Access Rule

Dear Mr. Pudge:

Union Gas Limited ("Union") made its comments on the Draft Distribution Access Rule on February 26, 2001. Union included a letter from Richard Schwindt of Simon Fraser University as an appendix to its comments. Also included in that appendix was Richard Schwindt's resume.

At the time comments were due, Union was in possession of a resume from Richard Schwindt dated June 1997, which had been filed with the Board in a previous proceeding. The requirement to file on February 26th did not allow Union to obtain an updated resume. Union has now obtained an up to date resume from Richard Schwindt and this resume is enclosed for the Board's reference in consideration of Union's comments.

Yours truly,

Marcel Reghelini
Manager, Regulatory Affairs
