NE	NEW BUSINESS			
Ite	em	Discussion	Action	Items & Prime
1.	Status of Transaction Documents for GDAR	Will be added to minutes on a go forward basis.	•	Loraine to update Document per discussion
2.	Timelines	Apr 1, Sep 1, Jan 1.	•	Group to try come to a consensus re new dates or how to meet current dates.
3.	Transfer Accept, Reject	IG reviewed     For Transfer Reject IG 'Parameter Name' in 'Additional Information' container changed to enumerated value	•	Darcy/Karen to update IGs per discussion All to come up with list of enumerated values for 'Parameter Name'

4.	Schema's, XSP Files	Union has agreed to undertake design of Schema's XSP.	•	Mark to update.
5.	Timestamp issue raised at protocol meeting.	<ul> <li>Suggestion has been tables to use GMT</li> <li>Internally parties could use whatever time they preferred</li> </ul>	•	All parties to return to enquire in-house re preferences.
6.	Test Plan	<ul> <li>Apr 03 – APR 10 will be the date for connectivity testing with the acceptation exception of Kitchener.</li> </ul>	•	None
7.	Wording in EBT Transport Protocol re non- EBT users.	Suggestion made that the second paragraph of the Executive Summary wording in transportation document Version 0.3 of the Transport Protocol Between Points regarding non-EBT users being penalized be removed. The Service Agreement (including the EBT Standards) must be used by gas distributors and gas vendors. (Note: removal of this paragraph is not intended to preclude the gas distributor from offering other communication channels for parties that are not gas vendors should the gas distributor wish to make such communication channels available.)	٠	To be discussed at a later date.
8.	Another tier of testing.	<ul> <li>Second layer of testing proposed for one month before market testing.</li> </ul>	•	All to discuss and come to agreement on what will be tested and to what degree.
9.	Pipe to Pip source IG.	Discussed revisions by Barbara Robertson.	•	Group agreed to remove attributes elements and change all to elements where applicable.
10.	Enroll "IG" for request, accept and reject reviewed.	<ul> <li>Documents agreed to tentatively pending final reading, collision matrix and vendor to vendor switch.</li> </ul>	•	<b>Barb</b> to make changes based on working group suggestions.

11. Vendor to Vendor switch.	<ul> <li>Agreed to adjust wording of contest to make clear that the contest period is a full from 30 to 31 days, to which will be added a processing period of 5 days.</li> <li>Agreed Distributors will determine start date of contests and advise vendor's effective date based on the Enrol Accept date and time stamp, plus 1 day (to ensure the full 30 day contest period) plus 30 days.</li> </ul>	Board Staff to rewrite switch document to reflect WG recommendations.
12. CPO won/lost	Discussed whether after contest flows should remain.	<ul> <li>Barb to remove wording and SA reasons unless parties at a later date can provide a valid reason for them to be included.</li> </ul>
13. CPO Enroll date.	<ul> <li>Vendor B cannot change their Enroll date after the contest period/effective date. If the Vendor sent this transaction it would be rejected.</li> <li>In general changes that start contests will not be allowed.</li> </ul>	<ul> <li>Darcy to add reject reasons "Effective date conflicts with pending enroll/drop" and "Drop cancellation conflicts with pending enroll from another Vendor." to IG.</li> </ul>
14. Consumer adjusting Vendor initiated drop.	<ul> <li>Group agreed consumer will not be allowed to extend vendor drop dates but will be allowed to adjust them to an earlier date.</li> </ul>	None.
15. Termination of Service.	Agreed to further discuss Vendor's suggestions/preferences around the "TOS" transaction. Vendors agreed that the TOS will not sever the relationship between the Vendor and the Consumer, and therefore the Vendors remain entitled to receive Consumer Information. The Vendor must therefore tell the Distributor when the Consumer/Vendor relationship ends by submitting a DROP.	Group to review further.
16. Reconnection of service.	Discussed and came to tentative agreement unnecessary.	None.

17. Reconnect after move.	<ul> <li>RAM up to 60 days after a TOS transaction. IF customer notifies         Distributor of location customer would be reconnected to Vendor at new         address.</li> <li>Proposed to take place of CCL in the case where the TOS effective date         has already passed.</li> <li>Proposed that Vendors must send a "drop" upon receipt of a TOS stating         the end of their contract to prevent Distributors from breaching PIPEDA         by sending customer info after contract ceases to be relevant.</li> </ul>	To be discussed further by working group.
18. CCL Overlap.	Vendors wish and prefer there would be two locations active in an overlap scenario versus the previously suggested start/stop date model suggested by Distributors.	<ul> <li>Group to discuss further no agreement reached.</li> </ul>
