16	
17	<u>Response</u>
18	
19	(a) Networks is not applying for an overlapping service area. Networks has specifically
20	requested the transfer of the two customers, and the property they occupy, to become
21	part of Networks' licensed service territory. Please refer to Networks' application RP-
22	2003-0044/EB-2003-0031. Section 4 and Tabs B and C of the application provides
23	the legal descriptions of the properties.
24	
25	(b) No.
