

VECC INTERROGATORY #13

INTERROGATORY

Reference: The Report, page 2, lines 11-13.

Preamble: “the premise underlying the *Energy Competition Act, 1998* ... is that competition is preferable to monopoly”

- a) Please provide the references which support the statement as it applies to the distribution sector, i.e., that the premise underlying market restructuring was that competition – specifically in the distribution sector – was preferable to monopoly.

RESPONSE

Please see interrogatory response to Hydro One at Ex. J12, S8, T1.
