

1 **Ontario Energy Board (Board Staff) INTERROGATORY #5 (Southwest Submissions)**

2

3 **Interrogatory**

4

5 Please provide any other quantitative evidence available to compare quality and
6 reliability of service between Essex and Hydro One, Enwin and Hydro One, and Erie
7 Thames and Hydro One, and for each of the other proposed service amendment proposals
8 under consideration in this proceeding affecting Hydro One?

9

10

11 **Response**

12

13 Networks has no other quantitative evidence by which to compare quality and reliability
14 of service between itself and the applicants of the amendment applications, other than
15 information which has already been filed.
