

1 **Ontario Energy Board (Board Staff) INTERROGATORY #6 (Southwest Submissions)**

2
3 **Interrogatory**

4
5 For each metering point required as a result of the proposed service area amendments for
6 each of Essex, Erie Thames and Enwin, please provide an estimate of the capital and
7 ongoing operating costs related to each metering point. (Please identify specific ones if
8 possible.)
9

10
11 **Response**

12
13 The Applicants have not made their specific needs known to Networks which is
14 therefore unable to answer this interrogatory.
15

16 Please refer to Networks' Submission with respect to costs of meters.
17
