

1 **Wirebury Connections Inc. INTERROGATORY #8 (Hydro One IR)**

2
3 **Interrogatory**

4
5 (a) If LDCs are allowed to compete for new customers everywhere and/or LDCs are
6 allowed to continue to expand their service areas into Hydro One's area of operations,
7 what would Hydro One's position be with respect to Hydro One competing for customer
8 attachments in the service areas of LDCs?

9
10 (b) If Hydro One takes the position that it should not or cannot provide distribution
11 services to customers in areas outside its current areas of service, please explain why
12 indicating whether and how that would prevent other distributors from competing on this
13 basis?
