- (a) Does your Company believe that it could connect to Hydro One's grid as an embedded distributor and serve customers in green-field developments just as or more efficiently than Hydro One?
- (b) If the answer to (a) is no, please explain why and indicate whether you think your
  Company could compete effectively through contiguous expansion of its existing service
  area.
  - (c) If the answer to (a) is yes please explain why you think your utility could do this and how your new (i.e. unattached or non-metered) customers would benefit without harming Hydro One's existing (i.e., connected or metered) customers.
  - (d) Does your Company believe that there other distributors that could effectively compete with Hydro One? If so, please explain how these distributors could serve customers more efficiently than Hydro One either by expanding their systems or connecting to Hydro One's network as an embedded distributor?

## Response

(a), (b), (c), (d) These interrogatories are not applicable to Networks.
