Dear Mr. Pudge:

Re: OEB File No. RP-2003-0044 – Application by various electricity distributors to amend Schedule 1 of their Transitional Distribution Licences

We are counsel to Toronto Hydro-Electric System Limited ("Toronto Hydro") in the above-captioned matter. Enclosed please find six copies of Toronto Hydro's interrogatories on the supplementary evidence filed by EnWin Powerlines Ltd., Erie Thames Powerlines Corp. and Essex Power Corporation (the SW Applicants) on May 29, 2003. We also enclose an electronic version of same.

Given that most parties have yet to file evidence on the issues identified in the Issues List for the generic hearing, Toronto Hydro wishes to advise the Board that it will wait until it has reviewed all such evidence prior to submitting other interrogatories beyond the ones described herein to the SW Applicants. Toronto Hydro may also submit further interrogatories directed to the SW Applicants at that time.

Yours very truly,

J. Mark Rodger
