DECISION AND ORDER

On April 15, 2004, the Ontario Energy Board on its own motion under section 52 of the *Ontario Energy Board Act, 1998* commenced a process to amend gas marketer licences. Specifically, the Board proposed to amend gas marketer licences issued prior to December 9, 2003 so as to require the holders of those licences to provide such information as the Board may require from time to time. Licences issued on or after that date already include the necessary provisions. These amendments are necessary to give the Board the authority to implement the proposed reporting and record keeping requirements ("RRRs") for gas marketers.

All interested stakeholders were invited to comment on the proposed RRRs and licence amendments.

After considering all of the written submissions that stakeholders made on the proposed amendments, the Board has decided to amend gas marketer licences issued prior to December 9, 2003, in accordance with its proposal.

IT IS THEREFORE ORDERED THAT:

With respect to gas marketer licences issued prior to December 9, 2003, section 4.1 is revoked and replaced with the following:

- 4.1.1 The Licensee shall maintain records of and provide, in the manner and form determined by the Board, such information as the Board may require from time to time.
- 4.1.2 Without limiting the generality of condition 4.1.1 the Licensee shall notify the Board of any material change in circumstances that adversely affects or is likely to adversely affect the business, operations or assets of the Licensee as soon as practicable, but in any event no more than twenty (20) days past the date upon which such change occurs.

ISSUED at Toronto, December 22, 2004.
