Dear Ms. Walli:

RE: Reporting for Funding Granted Under Third Tranche of Market Adjusted Revenue Requirement

In Brantford Power Inc.'s 2004-2005 Conservation and Demand Management Plan, it was stated that Brantford Power anticipated that all funds associated with the third tranche would be spent by the end of 2005. Brantford Power confirms that all third tranche funds were spent in the 2005 rate year. We believe that we have fulfilled the reporting requirements for third tranche initiatives.

Brantford Power Inc. intends to submit a separate annual filing in relation to the CDM initiatives for which we received incremental funding through distribution rates prior to April 30, 2007.

If you require further information, please do not hesitate to contact me.

Yours truly,

Heather Wyatt
