Ontario Energy Board

Dear Ms Walli:

**Re: EB-2006-0266 Board Process for review of the treatment of LDC CDM**

Pursuant to your memo of December 11<sup>th</sup>, I write on behalf of the Green Energy Coalition (GEC) to request that we be found eligible for costs in this process. GEC has been active on LDC CDM Issues and we are participating in the OPA processes in that regard. We have previously provided the Board with comment on the EDA proposal for revenue stabilization. We intend to participate in the Board's forthcoming process.

We trust this is satisfactory,

Sincerely,
