**Re: Cost of Capital (EB-2006-0088) and 2<sup>nd</sup> Generation Incentive Regulation  
Mechanism (EB-2006-0089)  
Issuance of Addendum for Smart Metering Rates**

Dear Kristen Walli,

With regards to the above noted addendum, Atikokan Hydro Inc. will not be making separate application for smart meter adder at this time, because we will not be investing in smart meters in 2007.

Atikokan Hydro Inc requests that the Ontario Energy Board apply the existing rider, or a rider deemed appropriate by the board, to our EB-2007-0505 rate application to allow us to continue to accumulate funds towards smart metering.

Sincerely,
