Dear Ms. Walli: *3/11*

RE: CANADIAN NIAGARA POWER INC. ("CNPI") – PORT COLBORNE 2007 EDR IRM – SMART METERING RATES – EB-2007-0514

Canadian Niagara Power Inc. – Port Colborne ("CNPI – Port Colborne") does not have specific plans for 2007 smart meter installation and has been identified in the Ontario Energy Board's (the "Board") January 29, 2007, Addendum for Smart Meter Rates, Appendix C, as an Inactive Distributor.

CNPI – Port Colborne hereby makes application to the Board for a standard (uniform) smart metering rate adder that reflects \$0.30 per residential customer per month for its 2007 electricity distribution rates.

Yours truly,

Douglas R. Bradbury
Director Regulatory Affairs
