**NOTICE OF APPLICATION AND WRITTEN HEARING
FOR AN
ELECTRICITY DISTRIBUTION RATE CHANGE**

Newbury Power Inc.

Newbury Power Inc. has filed an application with the Ontario Energy Board (the "Board"), received on August 21, 2007 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B). The Board has assigned the application File No. EB-2007-0556. This Notice contains important information about participation in the hearing associated with the applicant's rate change application ("rate proceeding") and about participation in a combined proceeding relating to rate adjustments for smart meters ("smart meter combined proceeding").

Newbury Power Inc. has applied to the Board to change its distribution rates, prospectively, effective November 1, 2007. The application has been filed on the basis of the guidelines set out in the December 20, 2006 "Report of the Board on Cost of Capital and 2nd Generation Incentive Regulation for Ontario's Electricity Distributors" for 2007 rates, available from the Board as described under "Need More Information?" below.

The standard electricity bill for residential and small general service customers has four line items: Electricity; Delivery, Regulatory and Debt Retirement Charge. The rate change application affects only the Delivery line of that bill. If approved,

a typical residential customer consuming 1,000 kWh per month would experience an approximate decrease of 0.1% in the electricity bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would experience an approximate decrease of 0.1%.

Newbury Power Inc. applied for a specific rate adjustment related to smart meters. This adjustment is referred to as a “smart meter adder”, and represents temporary advance funding to facilitate the acquisition and installation of smart meters through the 2007 rate year. The percentage decreases in the electricity bill referred to above do not include the amount of Newbury Power Inc.’s smart meter adder.

The Board will not award costs in this matter.

Proceeding by way of written hearing, the Board requests interested parties to file submissions, in writing, setting out their views on the application. You must forward three paper copies and, if possible, an electronic copy in Word format and in searchable PDF format of your submission to the Board and one copy to the applicant at the addresses below.
