

Power is Personal

You can choose your price plan and switch between Time-of-Use (TOU) and Tiered prices.

TOU

The price depends on when you use electricity. You can help manage your electricity costs by shifting your usage to lower price periods when possible.

Tiered

With Tiered pricing, you can use a threshold amount of electricity at a lower price. Once you exceed that limit, a higher price applies.

Considering a switch? Use your own electricity usage information from your bill and our calculator to see, side-by-side, what your total bill would look like under TOU and Tiered prices.
