

Can you spot an energy scam?

Did you receive a call threatening to disconnect service if you did not pay immediately?

Utilities will first mail you reminders and a disconnection notice, and they'll never ask for payment by crypto, gift cards, or cash.

Scam Alert!

The Ontario Energy Board (OEB) has seen an increase in reported energy scams.

Scammers use phone calls, texts, emails, social media and home visits and claim to be from the OEB, your utility or the government. Protect yourself and your family.
