

Notice

The Market Surveillance Panel (MSP) invites interested stakeholders to a meeting to introduce a proposed framework for identifying exercises of market power in the IESO-administered markets ([Market Power Framework Discussion Paper](#)).

The purpose of the meeting is to outline the role of the framework in MSP monitoring activities and to provide an overview of the approaches proposed for non-energy limited generation, imports and energy-limited generation.

Date: Wednesday, January 17, 2007
Time: 2:30 to 4:30 P.M
Location: North Hearing Room, 25th Floor, Ontario Energy Board
Address: 2300 Yonge Street,
Toronto, Ontario, Canada

For call-in Participation:

Local dial-in # **416-481-1967, Extension 145**
Toll-free # **1-888-632-6273, Extension 145**
Conference ID: **43117**
PIN: **5150**

For technical support, please contact:
Gaetanne.Mayer-Powell@oeb.gov.on.ca
Or call 416-727-7434

A copy of the presentation material will be available on this web-site on Friday January 12, 2007.

The MSP also reminds stakeholders that formal comments can be submitted on this proposed framework by February 28, 2007 and that all comments will be published on the OEB web-site. Comments may be submitted to MACD@ieso.ca, referencing "Market Power Framework" in the subject.

If you have any queries, please contact Jack Lubek at 905-855-6148 or Richard Penn at 905-855-6230 or by email at MACD@ieso.ca

The Market Surveillance Panel, a Panel of the Ontario Energy Board, monitors, investigates and reports on activities and behaviour in the IESO-administered markets in Ontario's electricity sector.
