RATE ORDER

Woodstock Hydro Services Inc. (“Woodstock”) is a licensed distributor of electricity providing service to consumers within its licensed service area. Woodstock filed an application with the Ontario Energy Board (the “Board”) for an order or orders approving or fixing just and reasonable rates for the distribution of electricity and other charges, to be effective May 1, 2008.

On March 14, 2008, the Board issued its Decision (the “Decision”) regarding Woodstock’s application.

The Board directed that Woodstock file with the Board a proposed Tariff of Rates and Charges reflecting the Board’s Decision, within 7 days of the date of the Decision.

Woodstock has provided the Board with a proposed Tariff of Rates and Charges.

The Board is satisfied that the document accurately reflects the Decision.

For completeness of the regulated charges, the Board has included in the Tariff of Rates and Charges the charges pertaining to services provided to retailers or consumers regarding the supply of competitive electricity, which are referenced in Chapter 12 of the 2006 Electricity Distribution Rate Handbook.

THE BOARD ORDERS THAT:

1. The Tariff of Rates and Charges set out in Appendix "A" of this Rate Order is approved, effective May 1, 2008, for electricity consumed or estimated to have been consumed on and after May 1, 2008.
2. The Tariff of Rates and Charges set out in Appendix "A" of this Order supersedes all previous distribution rate schedules approved by the Board for Woodstock and is final in all respects.
3. Woodstock shall notify its customers of the rate changes no later than with the first bill reflecting the new rates.

DATED at Toronto, April 16, 2008.
