Oshawa PUC Networks Inc.

Dear Mr. Martin:

**Re: Multi-year Electricity Distribution Rate Setting Plan  
2011 Electricity Distribution Rates - EB-2010-0107**

The Board is in receipt of your letter dated July 14, 2010.

In a previous letter dated May 27, 2010, you indicated Oshawa PUC Networks' intention to file a cost of service application for 2011 rates, one year in advance of Oshawa PUC Networks' next regularly scheduled cost of service application. Your letter dated July 14, 2010 indicated that Oshawa PUC Networks will move this filing back to its regularly scheduled year for 2012 rates.

The Board notes that Oshawa PUC Networks indicated that it will seek a January 1, 2012 effective date for its 2012 rates. The Board expects Oshawa PUC Networks to file its application no later than April 29, 2011 for rates to become effective January 1, 2012.

The Board will expect Oshawa PUC Networks to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
