NOTICE OF APPLICATION AND HEARING FOR AN ELECTRICITY DISTRIBUTION RATE CHANGE

Erie Thames Powerlines Corporation

Erie Thames Powerlines Corporation (“Erie Thames”) has applied to the Ontario Energy Board for permission to change its delivery charges effective September 1, 2012. Erie Thames is also requesting permission to harmonize the rates for the former distribution service areas of Erie Thames, Clinton Power Corporation (“Clinton Power”) and West Perth Power Inc. (“West Perth Power”). The completed application was filed on June 26, 2012 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B).

Delivery charges are one of four regular items on Residential and General Service customers’ electric bills and vary depending on the amount of electricity consumed. **If the application is fully approved as applied for the monthly bill for a Residential customer who consumes 800 kWh per month will decrease by \$2.10 in the former Erie Thames service area, increase by \$8.43 in the former Clinton Power service area and increase by \$5.77 in the former West Perth Power service area. The monthly bill for a General Service customer consuming 2,000 kWh per month and having a monthly demand of less than 50 kW would increase by about \$4.71 in the former Erie Thames service area, increase by \$16.87 in the former Clinton Power service area and increase by \$13.94 in the former West Perth Power service area.** The Board may also adjust the Delivery charges based on the Board’s incentive regulation framework for 2013 as part of this application.

The proposed changes to the Delivery charges are separate from other potential changes to the electricity bills, which are not affected by this application.

For additional information on billing items visit the Consumer page of the Board's website at <http://www.ontarioenergyboard.ca>.

The Board has assigned the application File No. EB-2012-0121. The Board's decision on this application may have an effect on all of Erie Thames Powerlines Corporation's customers.
