Re: Process for 2014 Incentive Regulation Mechanism (“IRM”) Distribution Rate Applications

On July 17, 2013 the Board issued an update of the Board's *Filing Requirements for Electricity Distribution Rate Applications: Chapter 3 - 4th Generation Incentive Rate-setting and Annual Incentive Rate-setting Index* (the “Filing Requirements”). The Filing Requirements outline the information that the Board requires an electricity distributor to file when it makes an application under an incentive regulation mechanism or an annual incentive rate-setting index method.

The Board had indicated that it would assign electricity distributors to one of the five application groupings noted below based on the expected level of complexity of the application. The application filing deadlines were determined so that, in the normal course of events, a Decision and Order would be issued in time for a May 1 implementation date.

The application groupings are as follows:

Tranche	Application Filing Deadline
1	August 30, 2013
2	September 13, 2013
3	September 27, 2013
4	October 11, 2013
5	October 25, 2013

On July 17, 2013, Board staff issued a survey to all electricity distributors scheduled to file a 2014 IRM application seeking details on the expected elements that will be contained in their application. Following the results of the survey, the Board has assigned electricity distributors to the five application groupings. Please refer to the table below for a detailed listing of electricity distributors under each tranche. The information filed in the survey is not binding on distributors. If a distributor contemplates a material increase to the complexity of its application, it should file in an earlier tranche.

The Filing Requirements also established a filing deadline of August 16, 2013 for those distributors whose rate year has been aligned with their fiscal year for a January 1, 2014 implementation date. These distributors are also shown in the table that follows.

The Board expects applicants to have all filings to the Board by 4:45 pm on the applicable filing deadline.

Yours truly,
