Dear Ms. Walli:

**Re: Cambridge and North Dumfries Hydro Inc.
2014 Cost of Service Rate Application
Confirmation of Application**

Cambridge and North Dumfries Hydro Inc. ("CND") appears on the Ontario Energy Board's December 11, 2012 letter which identifies distributors scheduled to have their rates rebased for 2014.

CND confirms that it intends to file as per the letter, under the new Fourth Generation Incentive Rate-setting method, for rates effective May 1, 2014. As such it is intended that a complete single year 2014 cost of service application will be submitted by October 1, 2013.

Furthermore, CND would like to schedule a meeting during the month of March 2013 with the Board staff case manager and with Intervenor, to discuss at a high level, the draft issues that are anticipated to form an integral part of the Rate Application. CND would be prepared to pay the costs of those attending the pre-application meeting.

Sincerely,

CAMBRIDGE AND NORTH DUMFRIES HYDRO INC.
