Re: Fort Frances Power Corporation
EB-2013-0130 - Notice of Delay In Filing

Dear Ms. Walli:

Fort Frances Power Corporation (FFPC) would like to inform the Ontario Energy Board that despite best efforts and intentions, it will not be able to meet the 2014 Cost of Service Application Deadline of October 1, 2013. FFPC has taken ownership of its application, and internal staff requires one (1) addition month to complete the application. FFPC apologizes for this inconvenience and assures the Board that it will be in receipt of FFPC's application no later than November 1, 2013.

Should you require additional information or clarification, please do not hesitate to contact me. On behalf of the Fort Frances Power Corporation I thank you for your consideration.

Respectfully Submitted,
