Multi-Year Electricity Distribution Rate Setting Plan
“2010 – 2011 Distributor Rebasing, Board File EB-2009-0028”**

Dear Ms. Walli:

This letter is in accordance with the Board's letter, dated January 29, 2009, with respect to 2010 – 2011 Distributor Rebasing. Haldimand County Hydro Inc. has been included in Schedule A, the preliminary list of electricity distributors selected to rebase in 2010.

Previously on April 2, 2008, in accordance with the Board's direction at that time, Haldimand County Hydro forwarded a letter to the Board confirming that it would be filing a forward test year rate application by August 14, 2009 for rates to become effective May 1, 2010. Haldimand County Hydro is currently working towards this rate application submission, having commenced internal reporting requirements and initiated contracts with third party consultants to assist with studies in support of that application.

Accordingly, this 'letter of comment' is to confirm that Haldimand County Hydro wishes to remain scheduled for rate rebasing in 2010.

Yours truly,
HALDIMAND COUNTY HYDRO INC.
