Dear Ms. Walli:

**Re: 2010-2011 Distributor Rebasing  
Board File EB 2009-0028**

Further to the OEB's letter of January 29, 2009 regarding the Multi-Year Electricity Distribution Rate Setting Plan, Woodstock Hydro Services Inc. (WHSI) confirms acceptance of the Board's decision for WHSI to rebase in 2011.

Woodstock Hydro and Hydro One plan to construct a jointly-owned transformer station in 2010, which is anticipated to be in-service in 2011. WHSI will be better positioned to include these capital costs when we rebase in 2011.

If you have any questions or require further information please contact me at 519-537-7172 ext. 240.

Respectfully submitted,

Patti Murray-Eitel, CGA
