Dear Mr. Tyrrell:

**Re: Application for Board-Approved CDM Programs
Board File No. EB-2011-0011**

The Board acknowledges receipt of your letter dated August 3, 2011, in which you indicated that THESL does not intend to implement the CDM Programs that were approved in the Board's July 12, 2011 Decision and Order. Accordingly, the Board will not expect THESL to prepare a payment schedule as contemplated in the Decision and Order, and, subject to the completion of the cost awards process, considers this proceeding to be closed. The Board is encouraged to learn that THESL will be working with the OPA to establish Tier 1 CDM programs that may benefit electricity consumers across the province.

Yours truly,

Kirsten Walli
