Re: Stakeholder Meeting on April 29, 2011 – Preliminary Assessment of Incentive Regulation Plans of the Natural Gas Utilities

The Ontario Energy Board (the “Board”) has decided to conduct a preliminary assessment of the incentive regulation plans of the natural gas utilities. On February 25, 2011, the Board issued a letter describing the Board process for this consultation. In that letter, the Board stated that it would be conducting meetings with interested stakeholders in April 2011.

The stakeholder meeting will be held:

Date: April 29, 2011
Time: Commencing 9:30 a.m.
Location: Ontario Energy Board, West Hearing Room, 2300 Yonge St., 25th Floor, Toronto

This informal meeting is to solicit input and invite discussion on the preliminary list of topics as outlined in Attachment B of the Board’s letter dated February, 25, 2011. Board staff will moderate the meeting. The meeting is an opportunity for staff and stakeholders, along with their experts, to discuss these topics.

Please RSVP with Veronica Mendes at veronica.mendes@ontarioenergyboard.ca by Thursday, April 21, 2011 to indicate whether you plan to attend the meeting. Please include name, organization and e-mail addresses of attendees.

Questions regarding this consultation should be directed to Laurie Klein at 416-440-7661 or by e-mail at laurie.klein@ontarioenergyboard.ca. The Board’s toll free number is 1-888-632-6273.

Yours truly,
