President and Chief Executive Officer
Independent Electricity System Operator
655 Bay Street, Suite 410
Toronto, ON M5G 2K4

Dear Mr. Campbell:

RE: Market Surveillance Panel Monitoring Report

The Market Surveillance Panel ("MSP") has delivered to me its *Monitoring Report on the IESO-Administered Electricity Markets* for the period from November 2013 to April 2014 (the "MSP Report"). I attach a copy of the MSP Report for your reference.

The MSP Report contains one recommendation addressed to the Independent Electricity System Operator ("IESO") regarding the elimination of Congestion Management Settlement Credit payments for all intertie transactions.

I would appreciate if you would advise me in writing within 30 days of: a) the steps that the IESO plans to take in response to the recommendation in the MSP Report and the timelines for completion of those steps; and b) whether, in the IESO's view, any actions or market rule amendments, in addition to those reflected in the MSP's recommendation, should be taken or initiated.

Please do not hesitate to contact me should you have any questions or wish to discuss the above.

Yours truly,
