Item	Discussion
1. Teleconference to check on operation of EBT after first month of production	<p>OVERVIEW In response to a specific question regarding major problems, no problems were reported.</p> <p>SPECIFIC</p> <ul style="list-style-type: none"> <u>Distributors:</u> Enbridge, Union and Utilities Kingston specifically reported they had no problems. Kitchener reported that operation was not always consistent in terms of responses received for specific transactions from some vendors; i.e., IRR Accepts vs AA Accepts. <u>Vendors:</u> Nothing was reported.
2. Monitoring on a going-forward basis	<p>No further monitoring calls will be pre-scheduled.</p> <p>OEB will be advised of issues/concerns on an as-required basis, and a specific action plan to resolve the issue will be determined.</p>
3. Change Management	<p>Production will continue based on the current system. The Working Group will be convened in the 4th quarter to determine what further action is required with regard to revisions to the EBT Standards. The documented change management process will be used.</p>
