5. IRRP Complete – Regional Infrastructure Plan Incomplete	Group 1	Planning Status Letter and supporting documents	Transmitter
6. Regional Infrastructure Plan Complete	Group 1	Regional Infrastructure Plan	Transmitter

Transition Process Notes

- The timing to deliver any products may vary, distributors are encouraged to contact their Account Manager (Hydro One) and request a Planning Status Letter as early as possible in advance of submitting on an application.
- Supporting documents may be in the form of a Scoping Assessment Report and/or Integrate Regional Resource Plan (IRRP) prepared by the OPA. Those documents will be available on the OPA website upon completion.
