**Baseline Report: Part I**

- 1) EWU has not entered into any contracts with an advanced metering infrastructure system vendor.
- 2) EWU has not started to install smart meters for RPP-eligible consumers in its service area.
- 3) EWU has not started to deploy any AMI systems or structures. EWU's original plan to begin deploying AMI in 2009 was suspended as a direct consequence of the passage of and Royal Assent for the Green Energy and Green Economy Act. EWU is in the process of developing a revised AMI plan. The revised deployment commencement and completion dates have not been established.
- 4) EWU does not have meters or systems to integrate with the provincial MDM/R. The integration commencement and completion dates have not been established.
- 5) EWU has not started to make changes to its business processes and systems related to MDM/R and TOU implementation. The commencement and completion dates for these changes have not been established.
- 6) EWU has not developed a plan for the implementation of web presentment of TOU data to each RPP-eligible consumer requesting the data. EWU expects to develop that plan concurrent with establishing the revised AMI plan set out in #3.
- 7) EWU has not started to implement a consumer education program. EWU expects to develop an AMI/TOU consumer education program plan concurrent with establishing the revised AMI plan set out in #3.
