**Re: Bluewater Power Smart Meter Quarterly Report for period ending December 31, 2009**

Dear Ms. Walli:

Please find attached Appendix C for the quarter ending December 31, 2009. In addition, Appendix B - Baseline Report has been updated to reflect the current implementation plan for smart meters.

The Board has asked in a letter dated November 23, 2009 for a firm date indicating when each utility will begin Enrolment Testing with the smart metering entity. Bluewater Power is unable to provide a firm date at this point, but expects that date to be approximately December 2010.

Sincerely,

A handwritten signature in blue ink that reads "L. Dugas".
