

THE ONTARIO ENERGY BOARD WANTS TO HEAR FROM YOU

Hydro One Remote Communities has applied to raise its electricity rates.

This may affect your bill for the next five years, starting May 1, 2018.

If the application is approved:

- A typical year-round residential customer of Hydro One Remote Communities would see an increase of approximately \$1.55 per month
- A typical residential seasonal customer would see an increase of approximately \$1.79 per month
- Government-funded residential customers would see an increase ranging from \$8.90 to \$13.05 per month depending on whether the community can be accessed by year-round road/rail or air
